**Funding Request – Long Term Recovery**

If you and/or your business have been affected by 2020 Jonesboro Tornado Disaster, you may be eligible for assistance from the Recovery & Rebuilding Fund. If you are filing for both home and business disaster assistance, you will need to complete 2 separate registrations for the losses. (Please note: Funding will generally not exceed \$5,000.00). All funds will be paid directly to service providers. No funds will be paid directly to a business or individuals. Those providing construction must have a City Privilege License & contractors must have an Authorized Contractor Tag from the city.
